DESIGN STUDY · ANGULAR TRAPEZOID CUT-OUT · 1500 × 750 MM

v0.3 · profile detail
plan · iso · section · variants
material: solid white oak · 30mm

Rectangular tabletop with rounded outer corners (R 60 mm) and a *trapezoidal cut-out* at the front edge with smaller rounded inner corners (r 20 mm). Two straight bevels meeting a flat – softened just enough to remove sharp edges from forearms and hips.

SPEC			
OVERALL	1500 × 750 mm	OUTER CORNERS	R 60 mm · 4×
CUT-OUT WIDTH	240 mm at edge · 120 mm flat	CUT-OUT DEPTH	60 mm
